

## Cake Toppers

1. Print this page in colour at 100%.
  2. Use cutting guide lines to trim 18 individual topper art panels.
  3. Fold each topper art panel in half.
  4. Insert a toothpick and wrap the pre-folded topper art around it.
  5. Use glue or tape to seal each individual topper.
- Tip:** Printing this page onto adhesive paper will assist as no glueing is required.
