

EVERY DONATION MAKES A DIFFERENCE

THE 2019 GOAL IS
\$500,000

Together we can fund better support for women living with ovarian cancer, and one day, eradicate it for good.

HOW YOUR DONATION HELPS

RESILIENCE KITS

We provide newly diagnosed women with a support guide for living with ovarian cancer.

SPECIALIST SUPPORT TEAM

We connect women with a dedicated team of specialists for personalised advice.

OCA CONNECT

An online community and support network where women can share and support each other through their ovarian cancer experience.

FACE-TO-FACE SUPPORT GROUPS

We connect women with support groups led by healthcare professionals to ensure they are in a comfortable environment to learn, connect and share.

NATIONAL HEALTHCARE AWARENESS

We help to engage and educate healthcare professionals in order to raise awareness and improve chances of early detection.

HIGH-IMPACT RESEARCH PROJECTS

Working to reduce the impact and incidence of ovarian cancer by 2025.

DONATION AMOUNTS

We encourage people to donate a minimum of \$55 which provides one woman with a resilience kit. However, we are aiming high, so donating above and beyond that is greatly appreciated.
